Oceans of Possibilities

Welcome to Summer Reading 2022!

Everyone is welcome to take part in themed activities, in person programming and virtual programs, and be entered to win fun prizes at the end of the summer. We encourage reading and family engagement to support lifelong learning for all, so we hope you'll join us for a creature-filled summer packed with stories, crafts, and outdoor adventures!

Track your summer reading activities on this gameboard, online at www.wicomicolibrary.beanstack.org/reader365 or the Beanstack Tracker App available on Apple & Android devices. Earn entries for prize drawings by completing challenges!

Bring the gameboard to your local branch to tell us about your completed challenges and we will update Beanstack for you. Additional copies of the game boards will be available on our website: www.wicomicolibraries.org/summer

Log your activities online or call by August 13th.

All summer reading participants will be eligible to win small prizes throughout the summer. Everyone who completes the challenge will be entered into a drawing for summer prizes.
