Consent Agenda
Following reports were reviewed:

- Gift Report
- Statistical Report
- Donations Report
- Grant Report

Gift Report
Cheryl Nardiello stated that the gift and memorial for December was $7,359 and for January it was $4,500. She stated that WPL received this amount because of the Community Foundation annual contribution. Ashley Teagle also stated that WPL did better with The Shore Gives More because of better promotion this year. There were no other comments or concerns.
**Statistical Report**
Ashley Teagle stated that there was nothing out of the ordinary with the programs. She mentioned that Cheryl Sidwell had revamped the spreadsheet to make it more lucid. She noted that on the left were the results from FY 20 and the right were results from FY19. The robotics club was brought up because there were no participants and Ashley stated it did not take off and it may have run its course. No other concerns were raised.

**Donations Report**
Cheryl Nardiello stated that there was nothing big to mention about the donations. She stated that it was a backup report to the gift and memorial report. Also stating that this report listed the specific donors. Audrey Orr wanted to know how we thank the donors and Ashley informed her that we send out thank you notes. There were no other comments or concerns about this report.

**Grant Report**
Ashley noted that at this time, she didn’t have any super successes. She mentioned that she informed the Board at December’s meeting about the Chesapeake Bay Trust grant. Stating that this grant will be used to build a story walk around downtown’s riverside. Ashley stated that the main focus lately has been to salvage the Job Search Center. Maida Finch mentioned that it looks as if Lowe’s is taking a while to respond and asked was this usual. Ashley responded by stating that sometimes it can be a waiting game. There were no other concerns about this report.

**Friends Committee**
Audrey Orr stated that the Friends met at the Lion’s Club in Pittsville and it was a successful meeting. She stated that bookshelf sales are continuing to grow, averaging about $600/month and about $7,000/year. She mentioned that they discussed having enough volunteers because of extended hours and they are doing what they can. She also addressed Light of Literacy to save time. She gave a thank you to Scott Duncan, who brought in a new donor this year who sponsored the art award. She mentioned that PRMC will be a major sponsor for Light of Literacy this year. She noted that the awards are $1,200 a piece this year. She mentioned that the tickets are $20 and can be purchased online.

**Nominating Committee**
Maida Finch mentioned that the committee is trying a new process, which is reaching out to people to see if they are interested in serving on the Board. She states that if they are interested, she’s asked them to submit a letter that the committee will keep on file to have when vacancies become available. Maida stated that they have received 2 letters of interest so far. Maida also went over the results from the meeting survey. She stated that the majority is happy with the current schedule and meeting time.
**Director’s Report**
Ashley skipped to the Job Search Center section. She stated we are currently outside of our funding window for LSWA, but it is in WPL budget to absorb the staff salaries through mid-March. She states that hopefully this will help buy time to hear back from Community Foundation about a grant that was applied for as well as other grants. She skipped down to Pittsville, to discuss meeting with 2 drag queens that want to do a program at WPL to promote the Pride parade. She stated that a staff member posted something prematurely about this on a social media outlet and it was not received well. Ashley asked that the post be taken down until further meetings. Ashley stated that she has been appalled by the kind of back lash received regarding this because WPL is an information source and this is a form of censorship. She also informed the Board that she filed a complaint with ALA about the comments from Councilman Joe Holloway. Michele Canopii asked if the name could be changed from Drag Time Story time. Richard Duvall also raised a concern that children aren’t old enough to sort out the nature of this possible programming. The Board could not come to a vote at that time and will revisit. A meeting will be scheduled on Tuesday, 3/17/2020 to further discuss.

**Head Administrator’s Report**
Cheryl Nardiello stated that there are openings for a part – time Branch Assistant in Pittsville, a STEAM Instructor and Branch Assistant for Centre. She also mentioned that there will be a smokers pavilion built on the side of the building. Cheryl stated that the main distribution needs to be shut down and the library will need to be closed on 02/23, 02/24 and 02/25 for this. **Motion to Approve** made by Maida Finch. **Seconded by** Karen Treber. All in favor. **Motion Carried.** Cheryl mentioned that a safety inspection was conducted on 1/23/2020 and a few recommendations were made, but they were already in WPL’s building plans. It was also noted that Lee Edwards was key to our successful inspections. Cheryl mentioned that there will be an additional expense in healthcare. She received an estimate that it will be going up 13.5% in FY 2021. The fund balance is still healthy even after the electrical panel differential, annual deficit for healthcare and new book mobile deposit, there will still be $690,514.89, which covers more than 3 months.
